To whom it may concern,

**MUSION EVENTS LTD, letter of intent to join Network Holographic Dome NHD – EU consortium.**

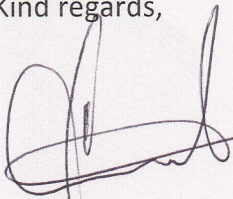

In light of recent discussions regarding the needs and goals of the Network Holographic Dome project (NHD), and as the preferred technical partner to deliver and install MUSION's multimedia platform (Eye liner) for educational and learning purposes. Musion Events, expresses the interest and the intention of joining the European Consortium of Universities and Public Administration.

MUSION Events LTD was founded in 2008 and is the global leader in the development, marketing, production and broadcasting of life sized, interactive 3D holographic video shows and effects.

MUSION'S patented 3D technologies and imaging systems, enable its customers to create spectacular, immersive, multimedia presentations using 3D holographic images so real that they are virtually indistinguishable from live performers and presenters.

Moreover, MUSION's exclusive 3D Telepresence technologies make possible the simultaneous broadcast of Musion events and presentations, both live and pre-recorded, to multiple audience venues located anywhere in the world.

Kind regards,

Ian O'Connell  
Founder and Director
